## COMPANY INTRODUCTION

---

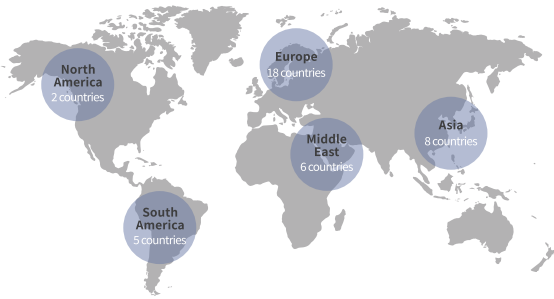

### Global Leader of Lifting Thread

**DERMALINE Co., Ltd.** is a world-leading lifting thread manufacturer equipped with one of the largest production capacity and KGMP facilities. Our top-tier manufacturing facilities are able to produce a full range of Molding Cogs from USP3 to USP 3-0. We export to over 40 countries in Europe, CIS, Asia and South America, providing our customers the best opportunity to utilize our expertise for making their OEM-ODM brands. DERMALINE Co., Ltd. will continue to research and develop to be the leader in the market and present the finest Korean lifting threads to the world.

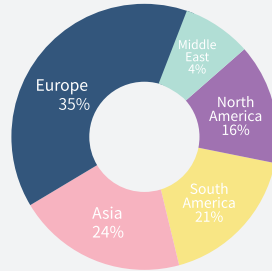

### Customer Support

- Customized production(OEM/ODM)
- Timely delivery
- Best quality

# EXPORT STATUS

## Preoccupying 50 countries in the global market

### Europe

UK, Germany, Switzerland, Netherlands, Rumania, Poland, Spain, Sweden, Russia, Uzbekistan, Kazakhstan, Kyrgyzstan, Bulgaria, Finland, Czech Republic, Azerbaijan, Türkiye

### Asia

China, Vietnam, Japan, Philippines, Taiwan, Hong Kong, Thailand, Australia

### South America

Brazil, Mexico, Argentina, Bolivia, Dominica

### North America

USA, Canada

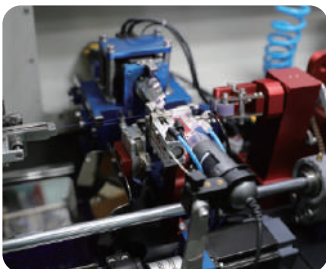

### Middle East

Israel, Lebanon, Livia, Iraq, Iran, Kuwait, Saudi Arabia

## SPECIAL FEATURE

### LIFTING

- Minimizing dimples
- Strong grip and tensile strength
- Microfabrication technology

### BASIC

- Natural-looking volume
- Excellent tightening effect
- Stimulating collagen production

### VOLUME

- Reduce deep wrinkles
- Maximize effect of tissue creation
- Stimulate collagen production
- Promote skin elasticity

### PDRN\_PCL

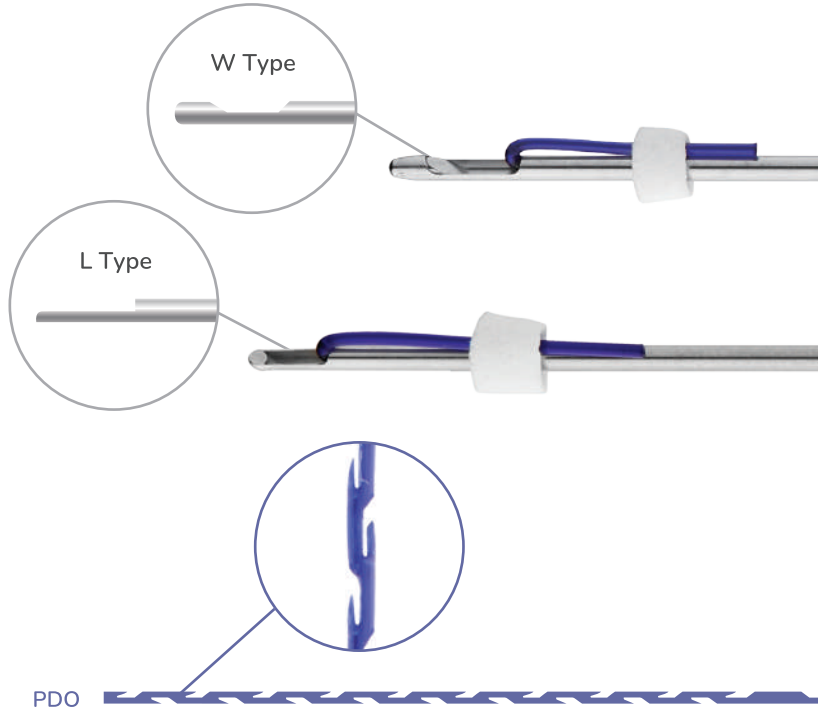

- Medical grade PDRN
- Cell regeneration
- Collagen promotion
- Enhancing elasticity

### VITAMIN\_PCL

- Medical grade vitamin C
- Skin brightening
- Collagen promotion
- Enhancing elasticity
